

Contest Rules “Wind and Water – the same power that drives sailing and our future”

1. Organizer

The contest is organized by Organizing Committee of the PGE Baltica Charlotta Days Hobie Cat Europeans 2025.

2. Contest Theme

The theme of the contest is wind and waves as the driving force of sailing and of a future based on renewable energy.

3. Participants

The contest is open exclusively to sailors participating in the regatta.

4. Contest Task

- Create a photo or a short video (maximum 30 seconds).
- Add a short description showing what connects sailing and renewable energy – how the same power of wind and waves drives both our boats and the energy future.
- Present in a creative and aesthetic way the motto: “The power of wind and waves: wind and water – the same power that drives sailing and our future”.

5. Submissions

- Entries must be submitted via the dedicated WhatsApp group created specifically for the contest.
<https://chat.whatsapp.com/Bt6ONUHNvfUF7BPDRQmIzP>
- Submission period: from August 20, 4:00 PM until August 21, 9:00 AM.

6. Prizes

- Main prize: wireless charger + JBL speaker sponsored by PGE Baltica.
- Distinctions: two participants will receive gift sets from Aloha Care, including:
 - UV filter
 - body balm
 - self-tanning serum

7. Evaluation Criteria

- creativity and originality,

- aesthetic quality,
- relevance to the theme (ecology, wind, waves, sailing, renewable energy).

8. Announcement of Results

Winners will be announced during the skippers meeting on August 21.

9. Final Provisions

- Submission of an entry implies consent for its presentation during the event and on the organizer's social media channels.
- By participating, contestants agree to the publication of the winning photo or video.
- The organizer reserves the right to make changes to the rules if necessary.
