

2025 Hobie MultiEuropeans Ustka // Poland

Technical Committee - NOTICE 3

Attention HC16 competitors.

General Hobie Class Rule 16.5 specifies trampolines for the HC16 must be manufactured by Hobie Cat Company to be class legal.

During the first day of racing in the HC16 Youth series the trampoline on FRA 117465 went apart beyond a point of repair being possible.

A HCC manufactured trampoline was not available on site as well as the HC dealer on site reported they would not be able to supply one.

The team has subsequently filed an equipment change request to be allowed to sail with a spare trampoline not manufactured by HCC.

The Technical Committee has reviewed the request, and for the 2025 Hobie Cat 16 Europeans Youth and Open series decided that the supply requirements of General Hobie Class Rule 16.5 shall not apply for:
