Dear participants of Raceboard Worldchampionships 2022.

We are proud to welcome you in Spartacus Sailing Club at Balatonföldvár.

Please find further important information about your stay at the venue:

- Entry into the harbour

You can enter the harbour through the gate after you crossed the railway as the map shows below. Gate will open between 8:00 – 20:00. Please inform us if your arrival time is out of this period at spari@spartacus.hu. We insistently ask you to keep the harbour free of cars and trailers. The harbour and the host club is a strict no-parking zone! Please use the parking area for cars outside of the gate.

After you unloading your gear please drive out with your car and we help to move the trailer to the trailer zone. With big vans what is not moving during the event you can park besides the camper park on the grass.

- Coach boats

You can launch the coach boats on the bigger ramp in the club (West) or with the crane in front of the clubs gate. You have to use the RIB parking area in the harbour.

- Mobile home and caravan

We provide a parking zone for caravan and mobile home from 21 of May close to the club. Please inform us before your arrival at spari@spartacus.hu or olcsihun70@gmail.com.
