

All about the WM Raceboard 2023

Before checking in to the IDM 2023

We look forward to welcoming numerous surfers of the raceboard class to the world championships. We have been organizing regattas for many years and also offer a suitable supporting program. Many will be familiar with what is written here from previous visits.

However, in order not to be surprised by "unexpected rules"... what to think about for your stay?

The way to us

If you have found your way to Mardorf and the "Meerstrasse" with your own vehicle using the navigation system, you will find the first signpost "Regatta" there and then turn into Weidenbruchsweg. The street is a little narrow and at the end, where the view is already on the water, leads after a curve to the west directly to the entrance gate of the YCN. A "Regatta" sign takes away any doubt as to where to go.

Parking Rules and Boards

In our car park, there is only one unloading and loading option for the participants at this World Championship. The max. 40 parking spaces are required for parking the vehicles of the organizers and temporary guests.

Therefore, for our guests, the parking lot is initially a transshipment point for boards and sails. If you arrive early, the boards will be unloaded and parked/placed on the bank on the club premises. The board will only be rigged there when the transport vehicle/trailer has been parked outside the club premises (see aerial photo with route markings) in a public parking lot at Bokelriede (free of charge), of your own accommodation.

Boards/sails can be stored in a fenced area along the entire shore at the three sailing clubs. The places of action to get onto the water  are marked with an arrow.

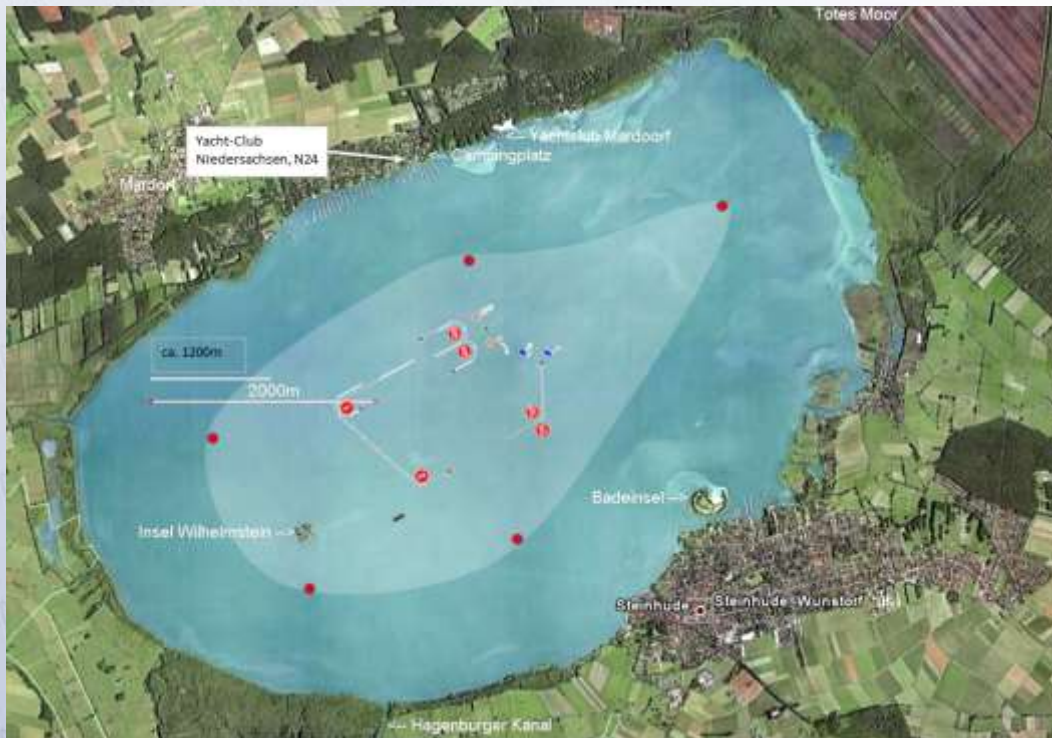

The middle of the parking lot is to be kept free as an access route for ambulances over a width of 5m. The same applies to the paths leading to the water on the site. These must not be kept open.

Regatta area

The regatta area is about 1.5km south of the club grounds on the water.

Houseboat

To supply with

- Drinking water
- Fruits
- Storage of backpacks

is there a houseboat available.

Guests traveling with the World Cup can ride on the houseboat for an amount of €10/day. It is expected to support the participants in the form mentioned above.

If you want to ride, put your name on the list that is published in the guest area of the YCN website

In your own interest, you are asked to compete in the races with a hydration pack.

Overnight in camper/caravan

Since our car park is occupied by organizers and temporary guests, it is not possible for our guests to set up caravans and mobile homes with or without an awning in the car park, which is why we ask you to book a space at Camping Mardorf / Meyer-Weidemann (05036 529). We already announced this last year.

For reservations, please mail to: info@camping-steinhuder-meer.de

Everyone can contribute to ensure that everything runs smoothly. We ask for a cooperative cooperation.

Registration/souvenirs and being there

Registration takes place at/in the clubhouse in the regatta office, which according to the announcement is open as follows:

Saturday	10.06. 12:00-18:00
Sunday	11.06. 10:00-17:00

The registration process is described in the "**Program of the event**".

Gift of memory, WiFi access and tokens.

Upon registration, all participants receive:

- The Event Lycra
- commemorative gifts from sponsors,
- The access code to the program of the event on the website of the Yacht-Club Niedersachsen
- The W-Lan guest access
- Key fob Raceboard

Sanitary facilities

Within walking distance on the club grounds

At the YCN, WVStM and the SKMi

Staying directly on the shore, changing clothes and showering is of course possible with us, even if the pitch was booked at Camping-Mardorf (Meyer-Weidemann).

Tents

Unfortunately, our small tent area in front of the clubhouse is not available.

Bike rental/Neustadt am Rubenberge, Mardorf

Bike rental Nülle, Tel.: 05036 619

Bike rental at the Steinhuder Meer: +49 5036 568 99 71

Payment method during the World Cup

Tokens for drinks and food at the events for participants and accompanying guests.

After registration, there is a binding registration for participants and fellow travelers for the events: opening, mountain festival and closing event. Tokens are issued for this to be able to participate in the meal.

Tokens for drinks are also available but are also sold by the day.

Cashless payment is made in advance using a card reader. There are no cash transactions at the food and beverage stands.

Price lists are posted.
