THIS NOTICE HAS TWO PAGES

Coach boat mooring – departure

Please follow the indications on the map of Marina ARCO to retrieve your ribs after the regatta. Apologies, as due to logistics, you may need to wait. You can take out your ribs from the water until 18:00

Please exit from gate NORD.

Retrieving and loading T293 equipment

Nations, which store their equipment on the left part of the beach can drive with their van and trailers down Via Benaco and reach the big square where they could stay and load their equipment.

Permission to enter the area is mandatory and is available at the race office.
