

Jury Notice #1

Under 17 Boys – Race 8

On Wednesday, following the hearing of a request for redress by 16 boards, the jury decided that race 8 for Under 17 Boys was to be abandoned.

While that hearing was in progress a further eight requests for redress were received alleging that the start of race 8 was improper.

After the decision to abandon the race was published seven requests for redress were received claiming that the decision to abandon the race was improper.

Because of the high degree of dissatisfaction with race 8 as raced on Wednesday, the Jury has decided to act under RRS 60.3(b) to consider redress for all Under 17 Boy competitors. This hearing will consider all outstanding requests for redress in race 8 as sailed on Wednesday.

The hearing will be held on Thursday after racing at a time to be published approximately ten minutes after the end of the last protest time limit for the day.

The hearing will appear on the schedule as case 72 and the schedule will show the planned start time for the hearing.

All competitors in Under 17 Boys are parties to the hearing and may attend.
