INFORMATION REGARDING CHARTER RIBS

The Local Organizing Authority (LOA) is collaborating with local organizations and companies to ensure the availability of coach boats for Open Skiff Class members during the 2025 Open Skiff World Championship.

Each National Open Skiff Class Association (NOSCA) will have access to at least one coach boat, with the exception of Italy, which will be allocated two. These ribs can only be booked by NOSCA's, and all bookings must be approved by the Open Skiff Class Association (OSCA).

As per Japanese regulations, all chartered ribs will be operated by local drivers. A list of available boats will be published by mid-April, with rental costs ranging between 200 and 350 EUR per day.
