

## IMPORTANT NOTICE

1. All persons attending the 2017 Techno293 World Championships in Salou are reminded that all areas must be kept clean and clear of all rubbish at all times.
2. Equipment storage facilities are prepared on the racks on the beach next to the Regatta Office and equipment shall be stored and rigged inside this area. Equipment shall not be taken into the white tent and the area in front of the restaurant. Those sailors, whose racking is next to the white tent may rig in the area adjacent to their racking.
