Reminder to RS:X sailors of the Class Rule C9.2 c);

For Sailing World Cup, World and Continental Championships of Divisions A and B, the National flag of the competitor shall be displayed on both sides of the sail between battens 4 and 5. The material depicting the flag shall selfadhesive and be placed back to back within 100mm of the leech. The flag area shall be a minimum of 6000 cm² and the aspect ratio of the flag shall not be altered. The national flag shall be clearly discernable on both sides of the sail. The Notice of Race or Sailing Instructions of an event may amend this rule.

It will not be enforced at this event; but sailors not complying will be warned to ensure they comply at the next class championships

--

Competitors in the Techno Junior (under 15) division may use either the 5.8 OD sail/rig OR any sail of 5.5sqm, or less, as the change-down from the 6.8 OD. Any aluminium boom or carbon mast (not exceeding 75% carbon) may be used with the 5.5 change-down sail.
