Clarification for the use of Silicone sealer

The use of silicone or similar sealers **are not** permitted except for a repair that shall be applied for by completing a "Request for Repair" form from the PRO Desk.

C.6.3 MODIFICATIONS, MAINTENANCE AND REPAIR

The following is permitted without the approval of the OBCA Technical Committee. Unless stated otherwise items mentioned in this section may be obtained from any manufacturer or supplier.

1. (a) The **hull** shall not be altered in any way except as permitted by these **class rules**.
2. (b) Repairs may be carried out provided such repairs are made in such a way that the essential shape, characteristics or function of the original are not affected. The serial number shall remain legible.
3. (c) Repairs to the underside of the **hull** shall be carried out in a contrasting colour.
4. (d) The **hull** may be rubbed down and polished.
5. (e) The daggerboard case may be shimmed.
6. (f) Additional grip pads may be added to the deck (maximum thickness 2,5 mm).
7. (g) The use of shock cord or adhesive tape is in general unrestricted, except that such material shall not be used in such a way as to create a fitting or extend a function.
8. (h) Tails of control lines may include a single small handle or a ball.
9. (i) The toe strap may be replaced by a toe strap of any material and substantially the same size and design.
