Request for redress by FRA752 vs Race Committee alleging that the RC improperly abandoned race 6

Because the abandonment affected the scores of all boards, the protest committee requested redress for all competitors under WCR 60.3(b).

Decision

Redress is given as follows:

Race 6 is re-instated.

The first 19 boards are to be scored in their recorded finishing positions.

The remaining boards are to be ranked in race 6 from position 20 downwards by reconstructing the finishing order by consensus of the competitors involved.
