RE: Class Rule Changes for 2021 World Championships

In accordance with RRS 87, the Open Skiff Class permits the following Class Rule Change through the Notice of Race.

Amend class rule C.1.1 to read:

C.1.1 RULES

- a) If the average wind speed is clearly more than 12 knots across the course the race committee may signal in accordance with RRS Appendix P5 that pumping, rocking and ooching are permitted except on a windward leg. This changes rules RRS 42.2(a), RRS 42.2(b), RRS 42.2(c).
 - (b) The ERS Part I – Use of Equipment shall apply.
 - (c) ERS Part 1 A.2 does not apply.
 - (d) **Direct umpiring using APPENDIX UF - UMPIRED FLEET RACING, as published on the Official Notice Board, shall apply**
-

Reasons:

Following the introduction of APPENDIX UF - UMPIRED FLEET RACING by World Sailing the Class has been asked to use these rules rather than the OSCA Addendum Q at our events.

Sincerely,

Piotr Oleksiak
OSCA Secretary
